

ROBBERY.—Last Wednesday a very gentlemanly looking man, and a lady, who passed as his wife, bearing the names of Charles and Mary Bliss, came to this city, and procured board at Mrs. Cummins'. On Thursday or Friday, the woman came to a servant girl. She was engaged by her to look after the streets, and in company with suspicious characters. Yesterday afternoon she went into Miss Nelson's room and stole a pair of trousers, a breast pin, and a watch. Officers Kirkpatrick and Priest, hearing of the robbery, immediately started in pursuit of them. They tracked them to Portland, and learned they were on board the steamer Woodford, which was lying at the New Albany wharf. They went over in a skiff, and succeeded in bringing them to Louisville, and placing them in jail. The stolen property was found in their trunks.

THEATRE.—The Green Bushes is a very pretty little drama, and well played last evening. Miss Lott, both as Miami and Mad St. Aubert, playing very well indeed. Miss Helen, as Nelly O'Neil, won a great deal of favor, especially with her singing of the Irish Minnie's Lament, and the touching story from which the play takes its name. She has a pretty voice which well-mannered would render her a fine vocalist; but her style is bad, very bad. It is these young ladies, during their engagement, appear in as pleasing characters and play as well as they did last evening. They will leave behind them a most favorable impression. This evening they appear in a new piece, called The Three Fast Men, and said to be a local drama.

STOCKHOLDERS' MEETING.—MASONIC TEMPLE. By reference to our advertising column, a notice will be seen, to which we invite the attention of the stockholders and creditors of the Masonic Temple in this city.

A grand convocation is to be held by all concerned in that office, which will be presided over by the presence of Henry Wingate and Philip Switzer, Past Grand Masters, and Col. Albert G. Hodges, Grand Treasurer, from Frankfurt, together with Grand Master Morris, and Past Grand Master Monroist, of this city. At this convocation, all matters concerning the financial affairs will be fully discussed, and it is hoped, satisfactorily settled.

MARRIAGES.—In the month of September twenty-three marriage licenses were issued in this county. In October there were only sixteen. How may this decrease be accounted for? There have been twenty-three issued during the present month. At this date, there will be sixty-nine issued before the first of December, this being something over two a day. This is understood to be the marrying season.

EF We call the attention of the merchants and traders generally to the advertisement of Messrs. White & Young, in another column. They will still continue the publication of their Counterfeit Detector. They have discontinued the banking business, and request all who have deposits in their hands to call and draw them.

EF Mr. Meyers, at whose tavern a fight occurred on Sunday, says that our informant was mistaken, that there never was a disturbance there before last Sunday, and that he has a tavern license. We learn that there are two taverns on that square, and it is possibly the other one to which our informant referred.

SAN ACCIDENT.—A German laborer, named Jacob Smith, living on Southgate, between 16th and 17th streets, yesterday fell from the top of Richardson's Bagging Factory, on 12th, between Chestnut and Magazine streets, breaking his neck, so that he died almost instantly.

FOT—Two boys yesterday had a fight near the corner of Sixth and Market streets. They were throwing rocks with a degree of energy worthy a better cause. They were interrupted in their innocent amusement by officer Baird, those persons who were standing there as curiosities, certainly came to the conclusion that that was *Wasp Point*.

CHARLEY'S EXCHANGE.—Clam soup will be served up this morning, at ten o'clock, at the above place, on Fifth street, between Market and Main. Charley has an excellent cook, and serves up almost all the delicacies of the season at his lunch. Remember, at ten o'clock.

EF The Louisville Insurance Company proposes to enlarge its business in the Fire Department, and will issue policies upon buildings, stocks of merchandise, and furniture, on application at their office, over the store of D. S. Benedict & Son.

D. S. BENEDICT, President.
W. P. PATER, Sec'y.

COSMOPOLITAN ART JOURNAL.—We have received the *Cosmopolitan Art Journal*, for December. It is a superb number, richly adorned with engravings and wood cuts, and filled with much good reading.

EF There were no arrests yesterday up to six o'clock. The burglars who broke into the store of Dixon & Gilmore have not, as yet, been arrested. The police are on their trail.

EF Little boys, don't play marbles on the sidewalk! It is a source of great annoyance, and often obliges ladies to walk around in the streets.

EF Prof. W. H. Harny will lecture this evening on Commercial Law, at Williams' Mercantile College. The public are invited.

EF A Democratic paper is to be started in Winchester, Clarke County, Kentucky.

EF The weather still continues cool and clear.

EF The city still continues quiet; little or no news stirring; local items above par.

EF The average Republican majority on the State ticket, in Ohio, is 29,966.

EF The National Convention of Engineers meet in this city to-day.

AN INCIDENT OF THE EPIDEMIC.—The New Orleans Delta relates the following as one of the incidents of the yellow fever epidemic in that city:

A boy was discovered in the morning lying in the grass of Claiborne street, evidently dying, and intelligent, but sick. A man who had the feelings of kindness strongly developed, went to him, shook him by the shoulder, and asked him what he was doing there. "Waiting for God to come for me," said he. "What do you mean?" said the gentleman, touched by the pathetic tone of the answer and the condition of the boy, in whose eye and flushed face he saw the evidences of the disease. "I have no home, nobody to give me anything, and I am alone here, and have been looking so long up in the sky for God to come and take care of me, as mother said he would. He will come, won't he? Mother never told me a lie."

River Intelligence.

RIVER AND WEATHER.—The river was rising last evening, with 3 feet 6 inches of water in the canal, by the mark. Yesterday was the counterpart of the week previous—cold, chilly, and disagreeable.

MEMORANDA.—Steamer Moses McLellan arrived at Cairo on Saturday night; reshipped on Paducah and City of Memphis. Left on Sunday morning at 11 o'clock; met Mary Cook at Metropolis, Challenge at Paducah, South Creek at Cairo, and Caseyville, boat ground in Shawneetown bend, name unknown. Monday—Passed Mayfield in Henderson boat, met William Baird and Judge Torrence at Evansville, Hudson above Scuttleton, Highwater ground at French Island, John Gault at Anderson.

Tuesday—John Gault at Anderson. Five feet from Evansville out. Three and a half feet on Scuttleton and French Island.

Will leave for New Orleans this evening, the 10th inst, at 4 o'clock.

NEWS.—The Pittsburgh Dispatch of Monday says:

The rains of the last two weeks have at length had the desirable effect on the river, which began to rise slowly on Friday morning. It is not yet a flood, but the water is rising, and the boats are being driven down the river.

The following is a list of the boats now on the river, with their destinations:

ST. LOUIS AND KNOX.—Metropolis, Fulton, Clinton, Henry, Green, and others. The boats are being driven down the river, and the water is rising.

A Remarkable Case of Dishonesty.

A most singular case of dishonesty on a large scale has just been brought to light in Chicago.

And even in magnitude this from a freeholder of a knavish employee is not without a precedent.

The case is that of a man named Thompson, who, some months ago, at an early hour after the usual closing of our city stores, he was found in the store, and the alarm of fire was sounded from the First District, and the store was closed.
